

The City of Chelan would like to invite you to...

## **Gibson Addition**

### **First Neighborhood Planning Meeting**

#### **What is Neighborhood Planning?**

Neighborhood planning is comprehensive, in-depth planning for development in one neighborhood. Our main focus will be on accommodating new development that will maintain neighborhood character and planning for bicycle and pedestrian transportation. We will also discuss other planning issues that residents and landowners bring up. City staff will ask the people who participate in neighborhood planning to help make decisions about what will best serve the neighborhood. We are interested in your opinions about how you would like to see your neighborhood grow over the next 20 years!

Please let your neighbor know.

**Where:** City of Chelan Council Chambers, 135 East Johnson Ave,  
Chelan

**When:** September 14, 2010 at 6: 30pm
